

Per Diem Registered Professional Nurses

The Chenango County Department of Public Health has immediate openings for per diem Registered Professional Nurses to work as needed at flu and other immunization clinics and to provide other nursing services. Duties will include assisting at immunization clinics and flu clinics and working within the many nursing programs of the Health Department. To qualify, candidates must be licensed to practice as a Registered Professional Nurse in New York State. A valid NYS Driver's License and a reliable vehicle will be required at time of appointment. For applications contact the Chenango County Personnel Office at (607) 337-1470. A copy of the candidate's NYS Nursing License must be submitted with the application. EEOE M/F/H/V
