**2023– 2024**

**Chenango County  
Department of Health**

**Immunization  
Clinic Schedule**

**Vaccines are available for uninsured or underinsured infants, children, and adults.**

**Call 607-337-1660 to schedule an appointment!**

Chenango County Immunization Clinic services are open to the public. Children under 18 years of age **MUST** be accompanied by a parent or legal guardian. Please bring the patient's immunization records and insurance information to the appointment. Ask billing and fee questions when making your appointment.

**Public Health**  
Prevent. Promote. Protect.
