

**If you are an UNINSURED or UNDERINSURED adult
in need of a vaccination we may be able to help!**

Vaccines for Adults (VFA)

The Vaccines for Adults program is a New York State immunization program that provides no cost vaccines for uninsured or underinsured (when health insurance does not cover vaccinations) to adults aged 19 and older.

Vaccines available through the VFA program:

- HPV
- MMR
- Tdap
- Flu
- Pneumonia
- Hepatitis A and B
- Meningitis (ACWY or B)
- Shingrix (shingles)
