

COVID Vaccine Update 3/2/2021

Last week:

Number of 1st doses given 400

Number of 2nd doses given 274

Total doses given by our department to date 2,147*

(1,490 1st doses and 657 2nd doses)

This week: We anticipate 300 doses to be received this week

- ✓ Distribution of vaccine will go to more 1A and 1B priority groups that have been identified by the State Health Department

Note: Vaccine supply is still very limited. We have 7 days to distribute any vaccine that we receive.

Currently, we do NOT have a waiting list for those under age 65 with comorbidities or underlying health conditions. Please do not contact us to be on a wait list. As soon as we have vaccine beyond the 1A and 1B groups, we will notify the public.
