Mr. Urda moved, seconded by Mr. Eiholzer that Local Law No. 2 of 1968 be adopted as presented.

Mr. Duell moved, seconded by Mr. Evans, that the Local Law be tabled.

The results of a roll call vote on the tabling motion were: YES-10, NO—12, ABSENT--1.

The Chairman declared the tabling motion lost.

Mr. English moved, seconded by Mr. Davy, that the Local Law be amended to provide, that the salary for the County Superintendent of Highways be established at \$10,038.00. He further moved that the Deputy Superintendent of Highways be allowed an 8% salary *increase*, similar to other Departmental Head Deputies.

The result of a roll call vote on the emendment were: YES--9, NO-13, ABSENT--1.

The Chairman declared the amendment lost.

The result of a roll call on the original motion to adopt the Local Law were: YES-13, NO-9, ABSENT-1.

The Chairman declared Local Law No. 2 of 1968 duly adopted.

Prior to the adoption of Local Law No. 2 of 1968, a lengthy discussion took place primarily regarding the increase in the salary for the Superintendent of Highways.

Mr. Stanton stated that the Superintendent and his Deputy have advised him that if the requested increase is not forthcoming, they will resign. In reference to this statement being a threat, Mr. Stanton replied that it was not a threat but was a flat statement. He asked Mr. Urda to read some of the salaries of neighboring Counties relative to Highway Superintendents.

Mr. Urda reported the salaries of five Counties ranging from \$20,699.00 for Broome County to \$12,000.00 for Cortland and Otsego Counties. Mr. Urda felt that he could justify the increase proposed for the Superintendent, comparing with other Department Heads the Superintendent has many more employees under him, has wider responsibilities and is expected to be on duty 24 hours a day.

Mr. English felt that the salaries of Department Heads should be comparable and that the proposed increase for the Superintendent of Highways was not justifiable.

Mr. Duell stated that the recommendation of Personnel Consultant was to treat all Department Heads the same this year. Later have a wage and salary survey and adjust the salaries to a point that is equitable to the job. Mr. Duell felt that any change in procedure should wait until after the survey has been made.

Urda felt that there should be a greater change in salaries of some of the Department Heads. He did not believe that the duties and responsibilities of each Department Head is equally shared.

Mr. McNeil asked for a clarification as to what is being proposed in account #61-401 and #61-403.

Mr. English stated that the Budget Committee has been informed that in regards to account #61-403 — Telephone, the State will put in a direct line and pay the entire telephone charge, thus eliminating any need for an
