

CHENANGO COUNTY DEPARTMENT OF PUBLIC WORKS

DRIVEWAY PERMIT

CONDITIONS OF THIS PERMIT:

1. The owner must fill out this permit and return it to the address shown below. They will place stakes where they would like to put the driveway. Be sure to indicate the County Road number and the exact location of the property.
2. The County then will inspect same and advise as to the diameter, length, and gauge of the pipe and end sections. All driveway pipe will be **RIVETED CORRUGATED METAL PIPE - ASPHALT COATED AND WITH END SECTIONS OR PLASTIC PVC (CORRUGATED OUTSIDE, SMOOTH INTERIOR) PIPE WITH END SECTIONS (EITHER AT THE DISCRETION OF THE DEPUTY DIRECTOR).**
3. The owner will purchase the pipe and end sections and have them delivered to the site. After the pipe is delivered the owner will again contact the county stating that the pipe is at the site.
4. The County will install the pipe and cover with gravel at no charge to the owner.
5. It is the owner's responsibility to do any other work needed to complete the construction of the driveway. The County will advise ways to construct so that no water will flow on the highway or highway shoulder. It is UNDERSTOOD THAT THE OWNER WILL FOLLOW THAT ADVICE.
6. If it is decided that there is no need for pipe, it will be the owner's responsibility to construct the driveway entrance - keeping in mind that in no way will any work be permitted that will cause water to flow onto the highway or the highway shoulder.
7. **NO REMOVAL OR BREAKING OF EXISTING GUIDE RAIL WILL BE ALLOWED.**
