Employers Guidance for Covid-19

- A person is not considered contagious until date of symptom onset.
- Employers should screen all employees prior to entering the work site for symptoms of COVID-19 (fever > 100.4, cough, shortness of breath)
- **If you ask an employee to remain at home** due to symptoms, follow guide below for **reentry**:

Time-since-illness onset **and** time- since- recovery strategy:

Employees who are sick, please stay home until you have no fever for at least 72 hours (that is three full days of no fever without the use of medicine that reduces fevers)

AND other symptoms have improved (for example, when your cough or shortness of breath has improved)

AND at least 7 days have passed since your symptoms first appeared
