

COVID Vaccine Update 2/23/2021

Last week:

Number of 1 st doses given	none
Number of 2 nd doses given	281

Total doses given by our department to date **1,473***
(1,090 1st doses and 383 2nd doses)

This week: We have received 200 doses this week

- ✓ Distribution of vaccine will go to more 1A and 1B priority groups that have been identified by the State Health Department

Note: Vaccine supply is still very limited. We have 7 days to distribute any vaccine that we receive.

Currently, we do NOT have a waiting list for those under age 65 with comorbidities or underlying health conditions. Please do not contact us to be on a wait list. As soon as we have vaccine beyond the 1A and 1B groups, we will notify the public.

Although specific comorbidities and underlying medical conditions will make more individuals eligible on February 15th, we do not have a vaccine supply for this group yet and do not have a waiting list at this time.

Resources to get vaccinated:
