

## COVID Vaccine Update 3/16/2021

### Last week:

Number of 1<sup>st</sup> doses given 230

Number of 2<sup>nd</sup> doses given 172

**Total doses given by our department to date 2,802\***

**(1720 1<sup>st</sup> doses and 1082 2<sup>nd</sup> doses)**

---

This week: We anticipate 400 first doses to be received this week

- ✓ Distribution of vaccine will go to 1A and 1B priority groups that have been identified by the State Health Department

Our website is under development this week. We plan to post links on our website for the public to access appointments to receive vaccine. Those that are eligible can find vaccine appointments there very soon.

Currently, we do NOT have a waiting list for those under age 65 with comorbidities or underlying health conditions. Please do not contact us to be on a wait list for this group. As soon as we have vaccine beyond the 1A and 1B groups, we will notify the public and links to register for an appointment will posted on our website.
