GET
your
FLU SHOT

Friday November 18, 2022

from 8:30 am to 4:30 pm

At the Chenango County Office Building

5 Court Street, Norwich NY

Nursing Clinic in the Basement Level

What is the best way to prevent flu?

The single best way to prevent the flu is to get the flu shot. Everyone 6 months of age and older should get the flu vaccine every year. New flu vaccines are produced every year to keep up with flu viruses that change rapidly over time.
