PUBLIC SERVICE ANNOUNCEMENT

Due to COVID-19, the Chenango County Office Building has had limited public access to the building by Appointment Only for over the past year. For now, the decision has been made to continue to keep these precautions and limitations in place because we are still in the COVID-19 Pandemic, and Chenango County is still in a State of Emergency. It is important to protect the health and safety of the public and the individuals who work in the building. The County Office Building will remain open by Appointment ONLY at this time. Customers are asked to please bring all necessary documents and fees with them to their appointments.

Please continue to be safe and do what is best to stop the spread of COVID-19 in our community.

Thank you.
